

BRIEF SUMMARY

As a CSE fresher with passion towards solving existing problems, optimization and innovation, and honing my skills and abilities, I am looking forward for an entry-level or intermediate position in an innovative organization, along with opportunities to learn new and emerging technical skills and hands-on experience from industry veterans.

KEY EXPERTISE

C CPP Java Python Kotlin Git Github Linux Resource Lookup Technical Documentation Refactoring

EDUCATION

Parul University M.C.A. - Big Data Analytics - PIET Pursuing	2022 - 2024
Impact College, Patna Bachelors - Computer Applications CGPA : 8.86 / 10.00	2019 - 2022
KLS college, Nawada, Nawada 12 th BSEB Percentage: 59.00 / 100.00	2018
Dayal Public School, Nawada, Nawada 10 th CBSE CGPA: 8.50 / 10.00	2016

PUBLICATIONS / RESEARCH / WHITE PAPERS

Factors affecting & challenges for adoption of UPI

Research Paper | No. of Authors: 1

Key Skills: Social Awareness Information Gathering Data Processing Data Visualization Technology

(under review)

This research paper is about the social stigma that abrupted the spread of digital payment methods in sub-urban and rural areas of India, of a popular payment method, UPI. The paper categorizes and describes the reasons of such slow spread of digital payment system, and slow adaptation of the same. A small scale survey and a case study conducted offers insights of real life scenario of the target population. The paper proposes a solution for reduction of the addressed issue.

ACHIEVEMENTS

- 5 Stars in Java, Hackerrank

ASSESSMENTS / CERTIFICATIONS

Cisco Python Essential 1

Aggregate: 90.0 / 100.0

Key Skills: Scripting Programming Problem Solving Python

A course offered by Cisco Networking Academy in collaboration with OpenEDG Python Institute. Spoken-Tutorials Python 3.4.3

Aggregate: 90.0 / 100.0

Key Skills: Problem Analysis Problem Solving Programming scripting Python

This training and certification is awarded by the Spoken Tutorial Project, IIT Bombay. It covers up to intermediate level of python 3.4.3, along with some extra modules.

Hackerrank Java Core

Key Skills: Problem Analysis Problem Solving Programming JavaSE Java

This certification is awarded by Hackerrank, after successful completion of core java test. It covers all the basic and some intermediate core java concept, using java 8 or above.

EXTRA CURRICULAR ACTIVITIES

- Hackerrank code practice
- Discord coding team-up and camps

PERSONAL INTERESTS / HOBBIES

- Free and open source software
- Linux distros
- Keeping up to date with latest trends of technology i'm working on
- Mobile OS
- Cybersecurity and related news
- Video games, AAA titles, Single player, Story mode
- Scouring stackoverflow and xda developers forums, and other similar tech websites
- Trying out new coding environments, IDEs and text/code editors
- Low level programming and implementation details
- Programming standards, community guidelines and norms
